

How to Speak up for a Connected Bike Network

YOUR ADVOCACY CHEAT-SHEET FOR TACOMA-PIERCE COUNTY

Bike Advocacy Agenda

Creating a safe and connected bike network in Tacoma means healthier and more equitable transportation choices for our community. Below are the most important downtown connections in the Transportation Master Plan (TMP) that are not yet funded. This agenda was created by examining the TMP, researching capital projects, and collecting feedback from local commuters.

Build Meaningful Connections:

- Bike Lanes on 6th Ave between Broadway and Sprague
 - Division will have track plan for it in 2020
 - Connects to Fawcett and the 13 Miles of Bikeways
- Bike Lanes on S 15th between Yakima and Pacific
 - Adds an East/West Connection
- Bike Boulevard S J St. between S 6th and The Water Flume Line Trail
 - Parallel to Link light rail expansion
 - North/South connection west of Fawcett
 - Connects to 13 Miles of Bikeways
 - Connects to the Water Flume Line Trail
- Prairie Line Trail connection between S 21st and Water Flume Line Trail and Delin Bridge
 - Connect downtown trail to Southbound trail
 - Access to growing economic development
- Puyallup Ave between Pacific and Portland
 - Connection downtown to Tacoma Dome Station

DOTG Advocacy Philosophies and Priorities: To advance the equity of all users of our local and regional transportation system, and specifically employees, students, and residents in downtown Tacoma. In accordance with our mission and vision, we aim to support measures which:

- Increase ease, efficiency, and accessibility
- Increase safety
- Increase connectivity
- Reflect the "green transportation hierarchy"
- Reinforce a compact, urban core
